## **Last Night's Tournament: Week 12**

On the final night of bowling, July 30th, we will hold a Baker tournament at Fairlanes. **All teams** will receive additional prize money based on how they finish in the tournament.

Teams will bowl a six-game Baker qualifier. In the baker format, teams alternate frames throughout one game. The first bowler will bowl Frame #1, the second bowler will bowl Frame #2, and so on. In Frame #5, the first bowler will bowl again, and the rotation continues from there.

After qualifying, the top 16 teams, ranked by total pins with handicap, will make it into the match play bracket. Match play consists of a two-game match against the opposing team, where total pins with handicap determines who advances.

Substitutes are not allowed for the tournament - roster players only. **It is important that you have four bowlers on the final night of bowling** - if you don't have a full lineup, you'll receive zeroes in every frame that the absent bowler would be scheduled.

### **Estimated Prize List**

**1st Place:** \$1,000

**2nd Place:** \$500

**3rd-4th Place:** \$300

**5th-8th Place:** \$240

**9th-16th Place:** \$160

**17th-34th Place:** \$120

**Bonus - High Qualifier:** \$100
